

# JALSHAKTI DEPARTMENT IN BREIF

1. **Establishment:** The Jal Shakti Department was established in May 2019 by merging the Ministry of Water Resources, River Development and Ganga Rejuvenation, and the Ministry of Drinking Water and Sanitation.
2. **Objective:** The primary objective is to ensure water security, sustainable management of water resources, and access to safe and adequate drinking water to all citizens of India.

3. **Key Programs:**

**Jal Jeevan Mission:** Aims to provide tap water connections to every rural household by 2024.

**Namami Gange:** Focuses on the rejuvenation and conservation of the Ganga River.

**Pradhan Mantri Krishi Sinchayee Yojana (PMKSY):** Aims to expand the coverage of irrigation and improve water use efficiency.

4. **Focus Areas:**

- Water conservation and rainwater harvesting.
- Groundwater management.
- River interlinking projects.
- Cleaning and rejuvenation of rivers.

5. **Importance:** The department plays a critical role in addressing India's water challenges, including managing the effects of climate change on water resources, ensuring equitable distribution of water, and promoting sustainable water usage practices.

6. **Leadership:** The Jal Shakti Department is headed by the Minister of Jal Shakti, who oversees its various initiatives and policies.
